

Dragon Death
(Author Unknown)

Dragon Death is a magical +3 greatsword. It is +4 vs. reptiles, +5 vs. dragons, and +6 vs. great wyrms. It has a tendency to glow when in presence of these creatures which it detests within an unholy wrath, and in the presence of great wyrms, the weapon attains dancing capabilities, striking as its wielder for 1d12 rounds before returning. Note: regardless of circumstances, the weapon may dance only once per day.
